*Innovative 100% Natural, Vegetarian/Vegan BURGERS Fast Cooking Dry Mix.*

Attention all private label companies, restaurants, fast food chains and wholesale suppliers who wish to add or expand their existing assortment of VEGETARIAN/ VEGAN food product options!

We are proud to offer a revolutionary, high protein, Vegetarian/ Vegan dry mix of fast cooking BURGERS and other dishes.

We are proud to offer a revolutionary, high protein, Vegetarian/ Vegan dry mix of fast cooking BURGERS and other dishes.

Bio Factor Group has expended its existing line of healthy food products by adding new Vegetarian/Vegan high protein, fast cooking BURGERS dry mix and other dishes of superb quality.

Our products are aimed at vegetarians, vegans and other customers who wish to limit their meat intake and improve their dietary habits with healthy alternatives, without sacrificing taste and flavor in their food.

Our selection of vegetarian/vegan Burgers and other dish mixes are not only gourmet tasting, but are healthy!

Our products are free of any preservatives, artificial colors and chemicals, pesticides and genetically modified organisms (GMO). A gluten free line of products is also available for the vegetarian/vegan Burgers and other dishes. Our products contain only Natural and Pure ingredients. Our meat replacing vegetarian burgers have similar taste, texture and nutritional values as real thing.
